

ANNOUNCEMENT OF A TECHNICAL DIALOGUE

In connection with commencement of purchase procedure of whole body hyperthermia medicine equipment, Medical Center SAMARYTANIN invites the proposed providers to participate in the technical dialogue.

Subject of the technical dialogue:

Purchase and delivery with assembly and activation of whole body hyperthermia equipment; as well training the staff in service and maintenance.

During the dialogue some issues related to maintenance and its cost can be discussed.

The target of the technical dialogue is to receive the information which might be used during the preparation of the order description which will be in accordance with the rules of fair competition and to get the knowledge about the latest technical and technological solutions related to the subject order by the Contracting Entity. Moreover, the target of the dialogue is the acquisition of knowledge thanks to which the Contracting Entity could prepare the procedure in the way which guarantees to the proposed providers to submit an offer and choose the most profitable one.

An application of the participation in the technical dialogue should be send to the Contracting Entity e-mail:

Ośrodek Medyczny SAMARYTANIN (Medical Center SAMARYTANIN)

45-272 Opole

ul. Pużaka 11

tel. 606 862 510

e-mail: s.kampa@samarytanin.opole.pl

Website: www.samarytanin.opole.pl

The date and the place of the technical dialogue with the entities who have submitted the offer will be agreed directly with the entities who have been invited to participate in the technical dialogue.

The technical dialogue will be leaded as the meetings with every entity separately. It is allowed to perform a meeting by electronic correspondence (e-mail) or teleconference.

The commencement of the technical dialogue procedure is set on the publication day of this announcement on the Contracting Entity website: www.samarytanin.opole.pl.

The submission should be electronic and mailed to: s.kampa@samarytanin.opole.pl with the deadline 30.05.2018 time 15:00 in accordance with the form which is the annex 1 to Information of the technical dialogue.

The Contracting Entity requires the attachment of the following information and documents:

- 1) the dialogue participant data,
- 2) the document which certifies the legal status of the provider,
- 3) the document which indicates a person entitled to represent the provider,
- 4) the power of attorney which authorizes a representation of the provider (if the representation data are not demonstrated in the document indicated in sections 2 or 3),
- 5) the declaration of acquainting with the Rules of performing the technical dialogue.

During the technical dialogue meeting the providers will make a presentation of the medical equipment which is the subject of the technical dialogue (the technical descriptions in paper or send by e-mail, the catalogues, the prospects). There will be discussed the technical issues, technological issues, legal issues, the organization and economic issues which are related to the technical dialogue subject.

The participants in the technical dialogue will not obtain any remuneration or any reimbursement of the costs related to the preparation and participation in the technical dialogue. Not joining the technical dialogue will not limit the rights or it will not count against the proposed providers during the procedure.

The participation in the technical dialogue constitutes unconditional consent of the Provider for using the information and the works which are the subject of the copyrights laws transmitting during the technical dialogue in the range of using, recording and multiplying the subject- producing copies of the subject by determined technique, including printing and reprography technique, the magnetic record and the digital technique.
